### Grave Finder Tool

Our website offers the Grave Finder feature, making it easy to locate grave sites within Sunset Memorial Gardens Cemetery. With the built-in GPS feature, this tool will take you directly to the location of your loved ones.

### Winter Reminders

Please note that cemetery roads are not regularly plowed. If the roadway is difficult to identify, we ask that you avoid driving through the cemetery to prevent damage to burials, grave markers, drainage pipes, and your vehicle.

### Seasonal Clean-up Dates

To keep our cemetery grounds beautiful, all grave decorations will be removed the first week of April, 10 days after Memorial Day, and the first week of October. In order to notify you of our upcoming cleanup dates, we ask that you contact our office to make sure we have your current information on file. Updated information helps us reach you quickly when needed, and ensures you receive important updates in a timely manner. Thank you for keeping your records up-to-date!
